

overview

Metre, a full-service, integrated marketing agency with offices in downtown La Crosse, WI and the North Loop of Minneapolis, MN, is seeking an intern to join our creative team part time (12-20hr/week). As a key member of the team, you will work independently and collaboratively on strategy, development, and design for a variety of clients.

your role

Hit the ground running and assist the creative team with a variety of projects including branding, advertising, content creation, social media implementation, motion graphics, and web design. As a Metre intern, you're not on coffee duty—you're doing real-world creative work and getting paid to do it.

requirements

- Design or marketing degree from a four-year college or university (*in progress or recently completed*)
- Experience with Adobe Creative Suite required (InDesign, Photoshop, and Illustrator)
- Knowledge of Microsoft Office Suite and Google Suite
- An impressive portfolio of creative work
- Ability to work quickly and efficiently while maintaining an attention to detail

extras

- Experience in video production or animation
- Familiarity with Facebook Business practices
- Familiarity with email marketing platforms
